Students Attend Touchstone Energy® Camp

Parke County REMC sponsored six students to attend the annual Touchstone Energy® Camp. The camp was held June 7-10, at Camp Tecumseh in Brookston, Ind.

Campers enjoyed three fun-filled days of traditional sleep-away summer camp activities like zip lining, horseback riding, rock climbing, archery, swimming and campfires. But at Touchstone Energy Camp, campers also learned about important topics such as alternative energy, electric safety and the impact their cooperative makes in the community. Chaperones were Indiana electric cooperative employees who graciously volunteered to share their knowledge of the energy industry, as well as their time to lead students through this exciting camp experience.

"This is a great way for students to learn about the role of the electric cooperative in their community. On top of that, they get to experience all the fun of camp," said Chadd Jenkins, general manager of Parke County REMC.

Local students who participated are pictured above. Front row: Sutton Ramsey, Josie Bodine, Mallory Stadick, Mason Bowsher. Back row: Joshua Marco and Justin Evans. These students will enter 7th grade this fall.

Parke County REMC Awards Scholarships

Parke County REMC recently awarded nine \$500 scholarships to children of Parke County REMC members who live within our service territory, which covers six counties. These recipients will be attending accredited colleges as first-year students in the fall of 2017. Congratulations to the following scholarship winners:

Isaac Redenbarger (Northview)
Katelyn Duncan (Fountain Central)
Lindsey Bridgewater (Greencastle)
Lyndi Parent (North Putnam)
Olivia Morgan (Riverton Parke)
Jessica Cooper (Rockville)
Trent Johnson (Crawfordsville)
Logan Taylor (South Putnam)
Hallie Jones (Turkey Run)

Students Visit Washington, D.C.

Parke County REMC sponsored three students on the Electric Cooperative Youth Tour June 8-15. Youth Tour provides young Hoosiers the opportunity to visit the nation's capital, learn about government, experience American history and gain a better understanding about their electric cooperative and government.

According to Chadd Jenkins, General Manager of Parke County REMC, a delegation of 107 Indiana students representing 36 Indiana electric cooperatives attended the trip. More than 1,800 students from 46 states traveled to Washington for the week-long experience.

The following students represented Parke County REMC on Youth Tour:

Jacob Scott, Roachdale
Kelsey Dugger, Crawfordsville
Parker Stadick, Rockville

"Parke County REMC is pleased to provide this opportunity for our local youth," Jenkins said. "It's a great trip and a wonderful chance to see the sites, make new friends and learn how everyone, even young people, can make a difference in the political process."

Students participating in the trip visited the Flight 93 Memorial, the Gettysburg Battlefield,

Parke County REMC Youth Tour delegates include Jacob Scott, Kelsey Dugger and Parker Stadick.

Arlington National Cemetery, the Smithsonian museums, the National Mall memorials, and the National Museum of the Marine Corps; taking a night cruise on the Potomac River; and much more.

The Indiana Youth Tour students also participated in a youth rally, during which they shared their thoughts and opinions on a variety of timely issues. The youth rally prepared the students for a day on Capitol Hill, where they had an opportunity to meet with Indiana's congressional delegation.

GETTING READY FOR SOME BOATING FUN?

BOATING SAFETY

PREVENT ELECTRICAL INJURIES ON BOATS AND IN THE WATER

- No swimming near docks or boats.
- Notice a tingling sensation while swimming? Get out of the water quickly, avoiding metal objects like ladders.
- Equipment leakage circuit interrupters protect swimmers nearby from potential electrical leakage into the water around your boat. Consider installing them on your boat.
- To make sure your boat's electrical system is in ship shape, periodically have a professional marine electrician inspect it.
